RE: MATTERS FROM THE PUBLIC

Mr. James Maupin addressed the Board to express concerns about changes at the local dump. He explained that, as a mason in the area, he frequently disposes of clean fill materials such as stone, concrete, bricks, and blocks. Recently, he was told that these materials could no longer be dumped at the local facility and must instead be taken to the Ivy dump, which he found inconvenient after having used the local site for over 30 years. Mr. Maupin suggested the county considers outsourcing to continue accepting clean fill at the current location and also requested the option to pay with a debit card instead of cash or check, noting that electronic payments are more practical for small business owners. He emphasized that he was not complaining but hoped the Board could address these issues to better support local businesses and modernize payment practices.

RE: BOND RATING UPDATE

Ms. Schafrik announced that Greene County received its first-ever bond ratings from Moody's and S&P, earning double A ratings from both agencies. She credited this achievement to the Board's fiscal responsibility, long-term planning, and the efforts of previous boards. Ms. Schafrik highlighted that these strong ratings exceeded advisors' expectations and will improve the county's borrowing capacity, offering more favorable options for future financial needs, particularly important for upcoming water and sewer projects. She also mentioned that official press releases and information related to the rating were attached to the meeting notes for further detail.

RE: COMMUNITY RESOURCES UPDATE

Mr. James Howard spoke to the Board about a new partnership Greene County has entered into with Care Portal, an online platform that connects families in need with local churches and community organizations willing to provide direct assistance. He explained that the goal is to help struggling families remain together by meeting immediate, tangible needs—such as providing appliances or furniture—through a network of trained church volunteers. Mr. Howard described the efficiency and positive impact of the platform, noting that needs are often met rapidly and that this collaborative approach leverages community resources in times of decreased government funding. He encouraged public engagement with Care Portal and emphasized that this initiative offers a practical and meaningful way for residents to help their neighbors, strengthening the entire community.

RE: CONSENT AGENDA

Upon motion by Marie Durrer, second by Davis Lamb and unanimous roll call vote, the Board approved the Consent Agenda as presented.

- a. Minutes of previous meeting
- b. Letter of Support for Town of Stanardsville regarding William Mills House renovations (Attachment "A")
- c. Request from the Commissioner of Revenue for a refund in the amount of \$5,435.33 for a qualified disabled veteran (Attachment "B")
- d. Request from the Commissioner of Revenue for a refund in the amount of \$7,312.16 for a qualified disabled veteran (Attachment "C")
- e. Resolution to accept and appropriate \$42,889.88 for a supplemental appropriation for CSA (Attachment "D")

Recorded vote:	Marie Durrer	-	Yes
	Davis Lamb	-	Yes
	Tim Goolsby	-	Absent
	Francis McGuigan	-	Yes
	Steve Catalano	-	Yes

Motion carried.

RE: ACTION ON PUBLIC HEARING DEFERRED FROM AUGUST 12, 2025
REGARDING ROUTE 33 HOLDINGS, LLC, FOR A REZONE FOR TMP# 60C-(A)-24, ON A
TOTAL OF 18.55 ACRES

Mr. Frydl explained that the rezoning request from Route 33 Holdings, LLC, pertains primarily to the frontage along Route 33 and not the areas where most families reside in the park. He clarified that most trailers in the affected rezoning area have already been vacated, leaving only three, two of which are empty and the third occupied by the park manager, whose needs will be addressed if relocation becomes necessary. Mr. Frydl emphasized that the rezoning will not displace families currently residing in the park, aside from the park manager if required, and confirmed that the Board had received additional information to address concerns from the previous meeting. He also clarified that the rest of the property remains unchanged and will continue to allow existing trailers and their residents to stay until alternative accommodations are available.

Mr. Frank Stoner introduced himself as a representative of Milestone Partners and Route 33 Holdings, the owners of the property under discussion. He described the significant challenges facing the park, which was built over 50 years ago, citing failing infrastructure such as overworked septic systems and frequent water line breaks. Mr. Stoner explained that their goal is to complete an expansion (referred to as "part two") so that residents remaining in the old section can move into newer, improved facilities. While the site plan for this expansion has been approved, final health department approval for the septic system is still pending, and earlier design attempts proved financially unfeasible. Mr. Stoner reassured the Board that they are committed to finding cost-efficient solutions and welcomed any questions about the process.

Upon motion by Marie Durrer, second by Davis Lamb and unanimous roll call vote, the Board approved the rezone as presented. (Attachment “E”)

Recorded vote:	Marie Durrer	-	Yes
	Davis Lamb	-	Yes
	Tim Goolsby	-	Absent
	Francis McGuigan	-	Yes
	Steve Catalano	-	Yes

Motion carried.

RE: DESIGNATION OF A REPRESENTATIVE TO CAST PROXY VOTES ON BEHALF OF GREENE COUNTY AT THE ANNUAL VACO MEETING

The Board discussed the need to designate a representative to cast proxy votes on behalf of Greene County at the upcoming annual VACO (Virginia Association of Counties) meeting, which will be held on November 11. Only one vote per county is allowed, and with only Ms. Schafrik and Mr. Lamb attending, the Board agreed by consensus that Davis Lamb would serve as the county’s voting representative.

RE: BOARD LIAISON REPORTS

Mr. Lamb attended the Culpeper Soil and Water meeting, and they discussed the data centers in Culpeper and the tax revenue they would bring.

RE: COUNTY ADMINISTRATOR’S UPDATE

Ms. Schafrik reported on a recent county tour organized by the Ruckersville Advisory Committee and Planning and Zoning staff, which offered board members and planning officials the opportunity to see ongoing projects firsthand. Ms. Schafrik highlighted the recent success of the Tour de Greene cycling fundraiser benefiting Feeding Greene, noting ideal weather and strong participation. She announced an upcoming powerlifting challenge at Anytime Fitness on November 15, open to ages 14 and up, to support the Justin Tooley Memorial Fund. Additionally, Ms. Schafrik shared that the county, in partnership with UVA and thanks to community involvement, secured visits from a mobile primary care clinic that will begin regular appointments, with the frequency depending on community interest. She explained that the clinic accepts all insurance types, including Medicare and Medicaid, and could significantly improve access to healthcare for local residents. Lastly, she mentioned a fundraiser for the Greene Care Clinic, which provides free healthcare for uninsured residents, encouraging the public to participate.

RE: ADJOURN

Upon motion by Marie Durrer, second by Davis Lamb and unanimous roll call vote, the Board meeting was adjourned.
