RE: MATTERS FROM THE PUBLIC

Mr. Harold Richards, President of the Ruckersville Volunteer Fire Company, expressed frustration over the delay in a third-party review initiated by the Board of Supervisors. He said he's contacted the Board Chairman, County Administrator, and County Attorney to comply with the due diligence review. He offered to meet with the Board to reopen the fire service for the Ruckersville community while the review is conducted.

At-Large Supervisor Francis McGuigan addressed the Board as a private citizen to discuss what he said was a verbal attack at the May 13, 2025, by Chairman Steve Catalano. Mr. McGuigan explained his Facebook post about the potential policy of purchasing development rights from landowners to preserve the rural character of the County. He clarified his use of the pen name Greene Sentinal and the legal basis for it. He requested a public apology and further expressed concerns about the chairman's behavior that he feels threatens First Amendment rights.

Ms. Jennifer Lewis-Fowler spoke against the proposal for the Bond Anticipation Note refinancing that was scheduled for discussion and a vote later in the night. She said the County could not afford the additional interest and other water department expenses.

RE: FINANCING OPTION FOR WATER PROJECTS

Mr. Courtney Rogers, from Davenport & Company LLC, presented the responses to the Request for Proposals sent out in April 2025 for the refinancing of the 2025 Bond Anticipation Note (BAN). Davenport received two proposals, however only one was amenable to collateral offered by the County. He recommended the Board accept the proposal by Huntington. The Economic Development Authority meeting will be held June 4, 2025, to approve the financing. It is expected that closing will be held in late June.

Mr. McGuigan expressed concerns about the County's ability to handle the debt, including existing and new projects. Mr. Catalano emphasized the need to refinance the existing debt that previous boards had approved.

NOW THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Greene, Virginia:

1. The Board of Supervisors hereby accepts the Proposal from the Lender and instructs the Financial Advisor and Bond Counsel to take all such action as necessary or appropriate to conclude the financing as so set forth in the Proposal by the issuance of the Bond of the Authority based upon the recommendation of the Financial Advisor and Bond Counsel.
2. All costs and expenses in connection with the undertaking of the refunding of the Refunded Bond and the issuance of the Bond, including the Authority’s expenses, the fees and expenses of the County, and the fees and expenses of Bond Counsel, the County Attorney, the Financial Advisor and the Lender, and other fees and expenses related thereto, for the sale of the Bond, shall be paid from the proceeds therefrom or other funds of the County. If for any reason the Bond is not issued, it is understood that all such expenses shall be paid by the County and that the Authority shall have no responsibility therefor.
3. The following plan for refunding the Refunded Bond is approved. The Authority shall use the proceeds from the issuance of the Bond to finance on behalf of the County the

refunding, redemption and defeasance of the Refunded Bond and to lease the Leased Property from the County for a lease term approximately equal to the term of the Bond plus five years and to lease the Leased Property to the County for a lease term not less than the term of the Bond at a rent sufficient to pay when due the interest and principal on the Bond. The obligation of the Authority to pay principal and interest on the Bond will be limited to rent payments received from the County under the Lease Agreement. The obligation of the County to pay rent under the Lease Agreement will be subject to the Board of Supervisors of the County making annual appropriations for such purpose. The Board of Supervisors on behalf of the County has adopted this resolution as its moral obligation to the repayment of the Bond. The Bond will be secured by an Assignment Agreement to the Lender as the holder thereof. If the Board of Supervisors exercises its right not to appropriate money for rent payments, the Lender may terminate the Lease Agreement or otherwise exclude the County from possession of the Leased Property. The issuance of the Bond on the terms set forth in a Bond Purchase Agreement is hereby approved.

4. The Board of Supervisors hereby approves the Documents and the form of the Bond in an approximate aggregate amount of \$14,400,000 with a fixed interest rate not to exceed 4.28% and for an amortization of approximately 3 years from its date of issuance, subject to other terms as set forth therein with such changes, including but not limited to changes in the amounts for each series, dates, amortization, payment dates and rates as may be approved by the officer executing it whose signature shall be conclusive evidence of his approval of the same and whose execution of the Documents shall be conclusive evidence of such approval.
5. The Chairman or Vice Chairman of the Board of Supervisors, or either of them, and the County Administrator and Clerk of the Board of Supervisors are each hereby authorized and directed to execute the Documents and such other instruments and documents as are necessary to create and perfect a complete assignment of the rents and profits due or to become due in favor of the Lender, to issue the Bond, to refund, redeem and defease the Refunded Bond and to lease the Leased Property.
6. The County represents and covenants that it shall not take or omit to take any action the taking or omission of which will cause the Bond to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (**the "Code"**) or otherwise cause the interest on the Bond to be includable in gross income for Federal income tax purposes under existing law. Without limiting the generality of the foregoing, the County shall comply with any provision of law that may require the Authority or the County at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds from the sale of the Bond.
7. Any authorization herein to execute a document shall include authorization to deliver it to the other parties thereto and to record such document where appropriate.
8. All other acts of the officers of the County that are in conformity with the purposes and intent of this resolution and in furtherance of the issuance and sale of the Bond and the

refunding of the Refunded Bond are hereby approved, ratified and confirmed.

9. The County by acceptance of this financing agrees to indemnify, defend and save harmless, to the extent permitted by law, the Authority, its officers, directors, employees and agents from and against all liabilities, obligations, claims, damages, penalties, fines, losses, costs and expenses in any way connected with the Authority, the issuance of the Bond, the refunding of the Refunded Bond or the lease of the Leased Property.
10. Nothing in this Resolution, the Bond or any documents executed or delivered in relation thereto shall constitute a debt or a pledge of the faith and credit of the Authority or the County, and the Authority shall not be obligated to make any payments under the Bond or the Documents except from payments made by or on behalf of the County under the Lease Agreement pursuant to annual appropriation thereof in accordance with applicable law.
11. This resolution shall take effect immediately.
