RE: MATTERS FROM THE PUBLIC

Ms. Terry Hale, of Midway District, thanked Mr. Frydl and Ms. Golon of the Planning Department for coming to speak to the Men's Coffee group at Four Seasons recently to answer questions for residents.

RE: PUBLIC HEARING ON THE PROPOSED GREENE COUNTY BUDGET FOR FISCAL YEAR 2027, INCLUDING THE CAPITAL IMPROVEMENT PLAN, SOLID WASTE SCALE MINIMUM, INSPECTION FEE SCHEDULE, AND THE RESOLUTION TO SET THE PERCENTAGE OF TAX RELIEF FOR 2026 AS AUTHORIZED BY THE PERSONAL PROPERTY TAX ACT OF 1998 AS AMENDED BY THE 2005 APPROPRIATION ACT

Ms. Schafrik outlined the past several months' budget process, presenting where funding comes from and how funds are spent to provide services from the County to the residents. She

highlighted the funded position requests, position requests that were denied, and that there are no capital projects scheduled for fiscal year 2027. Budgeted highlights include:

- Budget increases offset by \$381,061 in agency reductions
- Budget balances with a real estate tax rate increase of 3 cents and \$2,354,744 coming from the school system's former Capital Reserve Fund
- Increases of \$0 to the General Fund transfer to Greene County Public Schools
- 3% increase in compensation for County employees
- 3% increase in compensation for school employees
- Budget continues commitment to employees and ensures continuity of operations for all departments and schools

The Chair opened the public hearing.

Dr. Andrea Whitmarsh, Superintendent of Greene County Public Schools, spoke to the Board and emphasized the need for increased funding to meet growing student needs and address rising costs facing the school system.

Ms. Kelly Greer, chair of the Greene County School Board, highlighted the importance of supporting teachers and staff to ensure quality education for students. She invited the Board to work over the coming fiscal year to find long-term solutions to fund the schools and the many other important departments within the County. She said needs and demands continue to increase and many are outside the control of the school system or government, but it is the Boards' responsibility to find a way to manage through it.

Ms. Cherish Alberts, Ruckersville District School Board Member, discussed the challenges teachers face, including high expectations and the need for increased pay to retain staffing. Ms. Alberts also invited the Board to collaborate with the School Board so there are no surprises during the next budget season.

Mr. Michael Trabor urged the Board to find long-term revenue solutions to avoid using capital reserves for operational costs in the future.

Mr. Kennon Copeland asked whether the presentation Ms. Schafrik had would be added online and she said it would.

The Chair closed the public hearing.

Ms. Durrer said it was not an easy budget year and that no one wants to pay more in taxes, but it's going to come to that to have the same level of service expected by residents. She said she fully supports the three-cent real estate tax increase that was proposed.

Mr. Hartung thanked everyone who spoke and brought up the structural issues in the budget for the next fiscal year. He said he feels the budget is a reaction to bad news from the state in how

it funds the school system but hopes the Board will be moving toward more strategic planning for funding the government and the schools in the future.

Mr. Catalano said Greene is a working-class County and noted the County needs more commercial growth. He is concerned that next year there will be worse news on the state level for funding.

Due to state law requirements, the Board cannot approve the budget until the May 12, 2026, meeting.

Ms. Schafrik outlined the Virginia Personal Property Tax Relief Act of 1998, as amended in 2005, for the Board.

Upon motion by Marie Durrer, second by Tim Goolsby and unanimous roll call vote, the Personal Property Tax Relief Act of 1998 resolution was adopted as presented (Attachment "B").

	Marie Durrer	-	Yes

	Matthew Hartung	-	Yes
	Davis Lamb	-	Yes

Motion carried.

RE: PUBLIC HEARING AND ADOPTION OF THE GREENE COUNTY TAX RATES FOR 2026

The Chair opened the public hearing.

There were no speakers.

The Chair closed the public hearing.

Mr. Hartung said he heard from various Midway District voters who said they agreed with raising taxes to help fund the schools.

Mr. Goolsby said he felt raising it one cent instead of three cents will allow the County to have a bit left over for contingencies but not strain residents.

Ms. Durrer said she was concerned that lowering the proposed three cents increase could mean a larger increase all at once next year.

Mr. Catalano agreed with Mr. Goolsby that a one-cent real estate tax increase is needed.

Upon motion by Tim Goolsby, second by Davis Lamb and roll call vote, the tax rates for calendar year 2026 were passed, 3-2, as presented below (Attachment “C”).

Levies on \$100 Assessed Valuation:

Real Estate	\$0.70

	Matthew Hartung	-	Yes
	Davis Lamb	-	Yes

RE: POLICY REGARDING GREENE COUNTY PUBLIC SCHOOLS SURPLUS FUNDS

Ms. Schafrik presented a policy to replace the one from 2014 that put all surplus funds from the school division into a capital reserve fund. The new policy still takes funds that were already allocated to Greene County Public Schools and placing any surplus funds at the end of the fiscal year into a reserve fund that could be used for capital or operating expenses.

Mr. Catalano offered wording changes and the Board agreed to workshop the policy further and have a clear, legible version ready for the next meeting, on May 12, 2026.

RE: BOARD LIAISON REPORTS

Mr. Lamb said he did not have any liaison reports but did want to let the public know that JABA has an open seat on its board. Mr. Hartung said he attended the Tourism Council meeting where the two new members were introduced. He said there is JABA meeting early next month. Mr. Goolsby said he has a Thomas Jefferson Planning Commission meeting in early May.

RE: MONTHLY REPORTS

There were no comments or questions regarding monthly reports from staff.

RE: COUNTY ADMINISTRATOR'S UPDATE

Ms. Schafrik highlighted the monthly Sunsets on Main concert series that began in late April. She outlined numerous positions on boards and commissions that need residents to volunteer to assist. She also wanted to answer a question that a resident brought up in April 14, 2026, meeting that a new law was taking effect on July 1, 2026, that did not allow water utilities to raise rates more than once every three years. Ms. Kemp told the Board that does not apply to municipal water utilities, only private companies. She highlighted the new local connector service and app that Jaunt had released for Greene County residents and the Black Bear Festival in June.

RE: OTHER ITEMS FROM THE BOARD

Mr. Lamb asked about tax relief for elderly people. Ms. Schafrik discussed the policy the County currently has in place and Ms. Kemp discussed what the Commonwealth allows.

Mr. Hartung said he had spoken with Planning and Zoning staff after the comprehensive plan discussion at the April 12, 2026, meeting. He asked if the request for expansion of the growth area could be mitigated to include only the undeveloped land within the current growth area. Mr. Catalano said he wasn't suggesting the County prescriptively zone the area on Route 33 for business, but perhaps, expand the growth area to a certain depth through that area and include it further west on Route 33. Mr. Frydl said it's important to note that just become something is designated something in the Comprehensive Plan, it does not prevent a different thing from going there through a rezoning of the parcel. The only way to prevent something is through zoning.

RE: ADJOURN

Upon motion by Tim Goolsby, second by Davis Lamb and unanimous roll call vote, the Board meeting was adjourned.

Recorded vote:	Steve Catalano	-	Yes
	Marie Durrer	-	Yes
	Tim Goolsby	-	Yes
